**RE: Products & Services Review**

Dear Gail

Grace & Peace be yours in abundance.

Trusting all is well with you and your family.

We would like to express our appreciation and gratitude for the services you have rendered to us in following and adhering to Covid-19 guidelines.

We are pleased with your service and your products are quite recommendable. You have done great work fumigating, disinfecting, and giving us great advise and solutions to keep our space safe.

The members of our church now have confidence and are more at ease and free to attend church services, knowing that our premises are kept with professional hygiene care from Chazlet Cleaning products.

May God grant you more grace and wisdom to do more excellently.

Kind Regards

P.Z Mabali
