Morning Gail,

Hope this email finds you well.

I would like to extend a massive thank you, to yourself and team for the outstanding work you did at my property in Midrand.

From the moment I made contact to request a quote, I was treated with a level of professionalism that I rarely experience.

Gail is a true entrepreneur and treats every customer like gold. This was also clear in the physical work of disinfecting and cleaning. She and her team arrived super early and patiently waited for me to conclude what I needed to do.

The apartment was left looking as good as new, if not better. No area was left untouched....you really did brilliant work.

Gail thank you for treating me like your only customer, even thou I know you have many more. Thank you for delivering outstanding service and for taking pride in what you do. I will always recommend you and I will call again in future.

Wishing Chazlet great success.

Kind Regards

Nokwanda Gumede
