Dear Gail;

I am writing to thank you for being our most trusted supplier for the sanitizers. We are delighted by the quality of your service and appreciate your responsiveness and professionalism. You are very reliable and because of this, we have managed to deliver the items at our municipalities and school on time. Keep up the good job.

- Turnaround time (Ordering to delivery): I believe that you are super quick, on both occasions, you were ready to deliver in a day.
- Communication efficiency – I know we pushed you on this one and not even once did I feel we have a communication problem.
- Quality of the product – I have personally used your products on several occasions (even when lockdown started, you provided me with sanitizers), then recently ordered more items which I am happy with. I therefore believe that the items delivered to the municipality and school are of perfect quality.
- Packaging including branding – Packaging, I love it. Branding, the first order was as approved, and all was perfect.

Sincerely;

Pamela Pege
