Letter of reference

Orvall Corporate Group's vision is to give back to every community we operate in and to eradicate poverty through education and community upliftment. Our career development, charitable projects empowers people to become self-employed and this changes people's lives for better. We seek to help those living in poverty by donating and empowering them through numerous educational programs we run to inspire, motivate and to give hope.

This letter serves to confirm and validate that Chazlet Cleaning Services has provided deep cleaning fogging services to Orvall Corporate Designs head office in the month of January 2021. Also, to assist Orvall Corporate Group to comply with the Disaster Management Act regulations in relation to our current COVID-19 pandemic.

Chazlet Cleaning Services staff are very professional and friendly, and they possess skills and knowledge in regard to the services they provide.

We highly recommend them

Yours
